

bizSAFE Level 3 Readiness Checklist

Use this checklist to assess your organisation's readiness before submitting your bizSAFE Level 3 application.

LEVEL 1 — CEO / Senior Management Commitment

■ CEO or top management has attended the WSH Council's bizSAFE Level 1 workshop	
■ CEO has signed the WSH policy statement	
■ WSH policy communicated to all employees	
■ Management commitment to WSH demonstrated in practice	

LEVEL 2 — Risk Management Course

■ Designated representative (WSH coordinator) identified	
■ Representative completed WSH Council's bizSAFE Level 2 course	
■ Certificate of completion obtained and filed	

LEVEL 3 — Risk Management Implementation (RMI)

■ All workplace hazards identified across all job activities	
■ Risk Assessments (RAs) completed for each work activity	
■ Risk ratings documented (Likelihood x Severity matrix)	
■ Control measures documented for each hazard	
■ Safe Work Procedures (SWPs) drafted for high-risk tasks	
■ RAs and SWPs reviewed and approved by management	
■ Workers briefed on RAs and SWPs relevant to their tasks	
■ Workers' signatures on briefing records obtained	
■ RA register compiled and maintained	
■ Annual review schedule established	
■ RMI implementation plan submitted to WSH Council	
■ External audit by accredited auditor arranged	
■ Audit findings addressed and closed	
■ Certificate issued by WSH Council	

SUPPORTING DOCUMENTS — Have These Ready

■ Company UEN and ACRA bizfile	
■ MOM workplace registration (if applicable)	
■ List of all work activities performed	
■ Completed RA templates for all activities	
■ Completed SWP templates for high-risk activities	
■ Worker training records and attendance sheets	
■ Incident register (even if no incidents — show it is in place)	
■ WSH policy statement signed by CEO
